Hi everyone!

My name is Cheryl. I was tapped by the Winx Club fairies to take care of you while they're busy improving their powers and fighting off evil in the form of the witches! Every month, I'll be here to relay what the fairies have to say, and of course, to listen to you! Keep on sending those sweet letters and amazing artworks—we at Alfea love receiving them—and they never fail to put a smile on our faces.

I know that it's time to go back to school—but don't fret, Bloom has a wide array of cute school supplies to get you excited for all your classes. At the same time, Stella teaches you how to be stylish and fashionable even with a school dress code! June is also the start of the rainy season, and while the air is cooler, it also makes us more vulnerable to sickness. Follow Flora's advice and you'll be able to get by safe and sound, while entertaining yourself with things to do indoors. On another note, Musa introduces you to a new music school and Tecna invites you to visit a new children's photography studio. And guess what—you'll finally meet the newest Winx member, the brave and determined, Layla! She tells you more about herself and also shares with you her album picks for the month.

It's the beginning of a new school year and I know that it can often stir mixed emotions. While there is disappointment that summer has come to an end, just remember that there is also the excitement of learning new things and the nostalgia of reconnecting with classmates. If you start believing that you are going to have a fantastic year, you are well on your way to having one. Think positive—and kick off this school year with a bang!

IN STYLE FOR SCHOOL

Whether your school has a dress code or not—you can express your personal style in different ways!

A new school year has rolled around and most of you may have to return to your daily uniforms—but that doesn't mean that you can't be fashionable anymore! I have a few tips to share with you about looking fab despite having a dress code. Most importantly, however, don't forget to just be yourself—that will make you stand out from the crowd-with your own personality and style!

Choose school shoes that cater to your style. There are a lot of pairs out there in various forms and designs that spell out your character. For example, Mary Janes give off an ultra-feminine vibe, loafers will always be a classic and the list goes on!

Moccasin (P795) by Juan at Janylin

Ballet flat with ribbon detail (P895) by Juan at Janylin

Wear your hair pretty! Hold your ponytails, braids and pigtails in place and keep hair away from your face with cute and colorful headbands, hair ties, barrettes, and other hair accessories.

Retro blue hair band (P65) from Kikay

Red- orange comb accessory (P100) from Evita Peroni

Red rose hair tie (P180) from Kikay

Watches and bracelets can definitely spark your basic attire with your personality. They can be worn to enhance your overall appearance or to make a statement. Experiment with some old or new jewelry until you find the one you like that best represents your personality. (Of course, make sure first you're allowed to wear jewelry to school—you don't want to get into trouble now!)

Pink bracelet (P90) with Winx Club charms (P55/ letter, P18/ hook) from Eiko

Silver bracelet (P300) with Stella charms (P70/ letter) from Eiko

School bags aren't meant to be drab and boring just because they carry your books and notebooks! Choose one that best represents your personality and have fun with it!

RAINY SEASON DO'S AND DON'TS

Keep healthy and dry during the wet season!

Since tropical climate is moderated by constant sea breezes, the rainy season (June to September) has cooler evenings, but also more typhoons. This means that because there are changes in rainfall patterns, temperature and humidity, it is common for virus and fungi to increase in growth—and to accessibly spread infectious diseases like coughs and colds!

Here are a few reminders to keep warm, clean and healthy, particularly during this rainy season:

- Wear warm clothing and don't go outside with wet hair.
- If you need to go out of the house, put on a raincoat, a pair of boots (in case you have to tread on puddles!) and carry an umbrella.
- Wash your hands regularly with soap to fight off germs. You can also carry around an instant hand sanitizer—a little dab will kill 99.99% of germs without the need for water!
- Use tissue when sneezing or coughing—and dispose afterwards. This lessens the risk of transferring germs onto objects around the house or classroom that others may touch.
- Since mosquitoes are bad during the rainy season (hello dengue fever!), don't forget to lather on mosquito- repellant lotions.
- Get at least 8 to 10 hours of sleep a day; lack of it can leave you vulnerable.
- Drink plenty of water to support your immune function.
- Eat some yogurt. The beneficial bacteria in active yogurt cultures can help prevent colds (as well as tummy aches, diarrhea, sinus infections, pneumonia, etc).
- As much as you can, stay at home to avoid the frightful weather. You can do some arts and crafts by laying out newspapers and all your art supplies like crayons, paints, colored pencils, glitters, over the floor or table to bring out the artist in you. The creative mess is well worth the fun.

LIVE OUT YOUR PASSION FOR MUSIC

Unleash your musical talent with a new music and performing arts school!

A new music school has sprouted up with a vision to create stars. Selah Music Basement, its name derived from the book of Psalms, used to accentuate a song of David, offers courses on voice, drums, violin, piano, bass, classic and electric guitar. It also has a total performer's class, which intends to perfect performing skills like stage presence, confidence and style. The school trains its students to love the courses they are enrolled in and reminds them that in order to stay on top, they must possess the skill and the right heart.

Selah
THE MUSIC BASEMENT

Since Selah believes that a harmonious teacher-student relationship is vital, the school allows a 30- minute trial lesson with the teacher before the student's enrollment. This will give the student and teacher the choice on whether they think the relationship will produce fruitful benefits in time. At the same time, the school is aware that each student has different needs, thus it will assess whether the student requires a more highly specialized teacher.

In line with its moniker, Selah aims to unravel the hidden gifts of their students and create mission-centered musicians geared to utilize their gifts for a good purpose. Annually, Selah comes up with grand inspirational shows where students and scholars get the opportunity to perform. The shows are means to raise funds for the Home for the Angels shelter.

Selah Music Basement is located at 122 Dona Consolacion Building, Jupiter Street, Bel- Air, Makati City. Telephone (632) 899- 4480, Mobile (63922) 334- 4203, E-mail info@selah-music.com Visit http://selah-music.com/home.htm for more information.

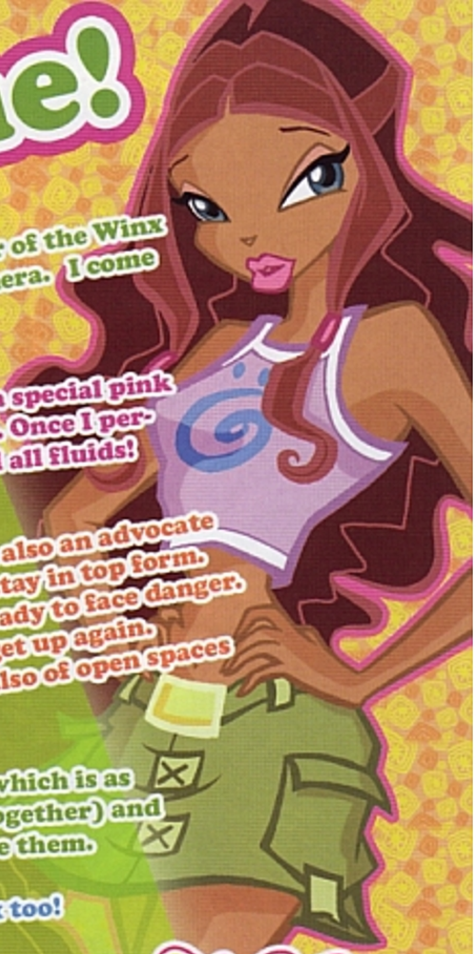
Hi everyone!



I'm Layla, the Fairy of Fluids—and the newest member of the Winx Club! I was born on June 15 and my fairy sign is Chimera. I come from the Kingdom of Andros, where I am a princess.

I can use my special powers to manipulate Morfix, a special pink fluid which can take on any shape I want it to have. Once I perfect my skills at Alfea College, I'll be able to control all fluids!

I loooveee music and dancing (just like Musa!), and I am also an advocate of feminism. In my spare time, I love playing sports to stay in top form. I'm dynamic, determined and proud, and I'm always ready to face danger. I'm the type of girl who, when gets knocked out, will get up again. However, i'm terrified of the dark (I can't sleep!) and also of open spaces

I've been told that I have a very strong gift (which is as powerful as Icy's and Stormy's powers put together) and that I am the only Winx who can directly face them.

I hope I become a true fairy and a great Winx too!

My Album Picks:

Lindsay Lohan "A Little More Personal" (Universal Music)

Our favorite pop princess is growing up. Riding on her second full-length album's moniker, Lindsay does get a little more personal. She wrestles with a turbulent paternal relationship in "Confessions of a Broken Heart (Daughter to Father)", as well as in "My Innocence." A personal favorite is Lindsay's re-make of "I Want You to Want Me" (made popular by Letters to Cleo in the "Ten Things I Hate About You" soundtrack)—a lot more upbeat and catchy than the Cheap Trick original. She also covers Stevie Nicks' "Edge of Seventeen" where former Evanescence guitarist Ben Moody graces his technical skills on. Overall, the album is a catchy pop-rock emotional release. We foresee Lindsay on the path towards a respectable mainstream career.

Ashlee Simpson "I Am Me" (Universal Music)

Ashlee Simpson's sophomore album is diverse, experimenting with new sounds that may delve a little bit off the path of the commercial formula that brought her debut album to the top of the charts. But surprise, surprise, Ashlee still succeeds. From the fun-pop, Gwen Stefani-ish "L.O.V.E." to energetic "Boyfriend" to the vintage "Dancing Alone" to the ballad "Catch Me When I Fall", Ashlee co-writes every one of the 12 tracks on her album, and sings in the same signature raspy-polished voice that drew us to her the first time we heard her sing. It's great to see that despite Ashlee's Saturday Night Live lip-synching mishap, she was able to get back on her feet to continue belting out ear-catching pop-rock tunes.

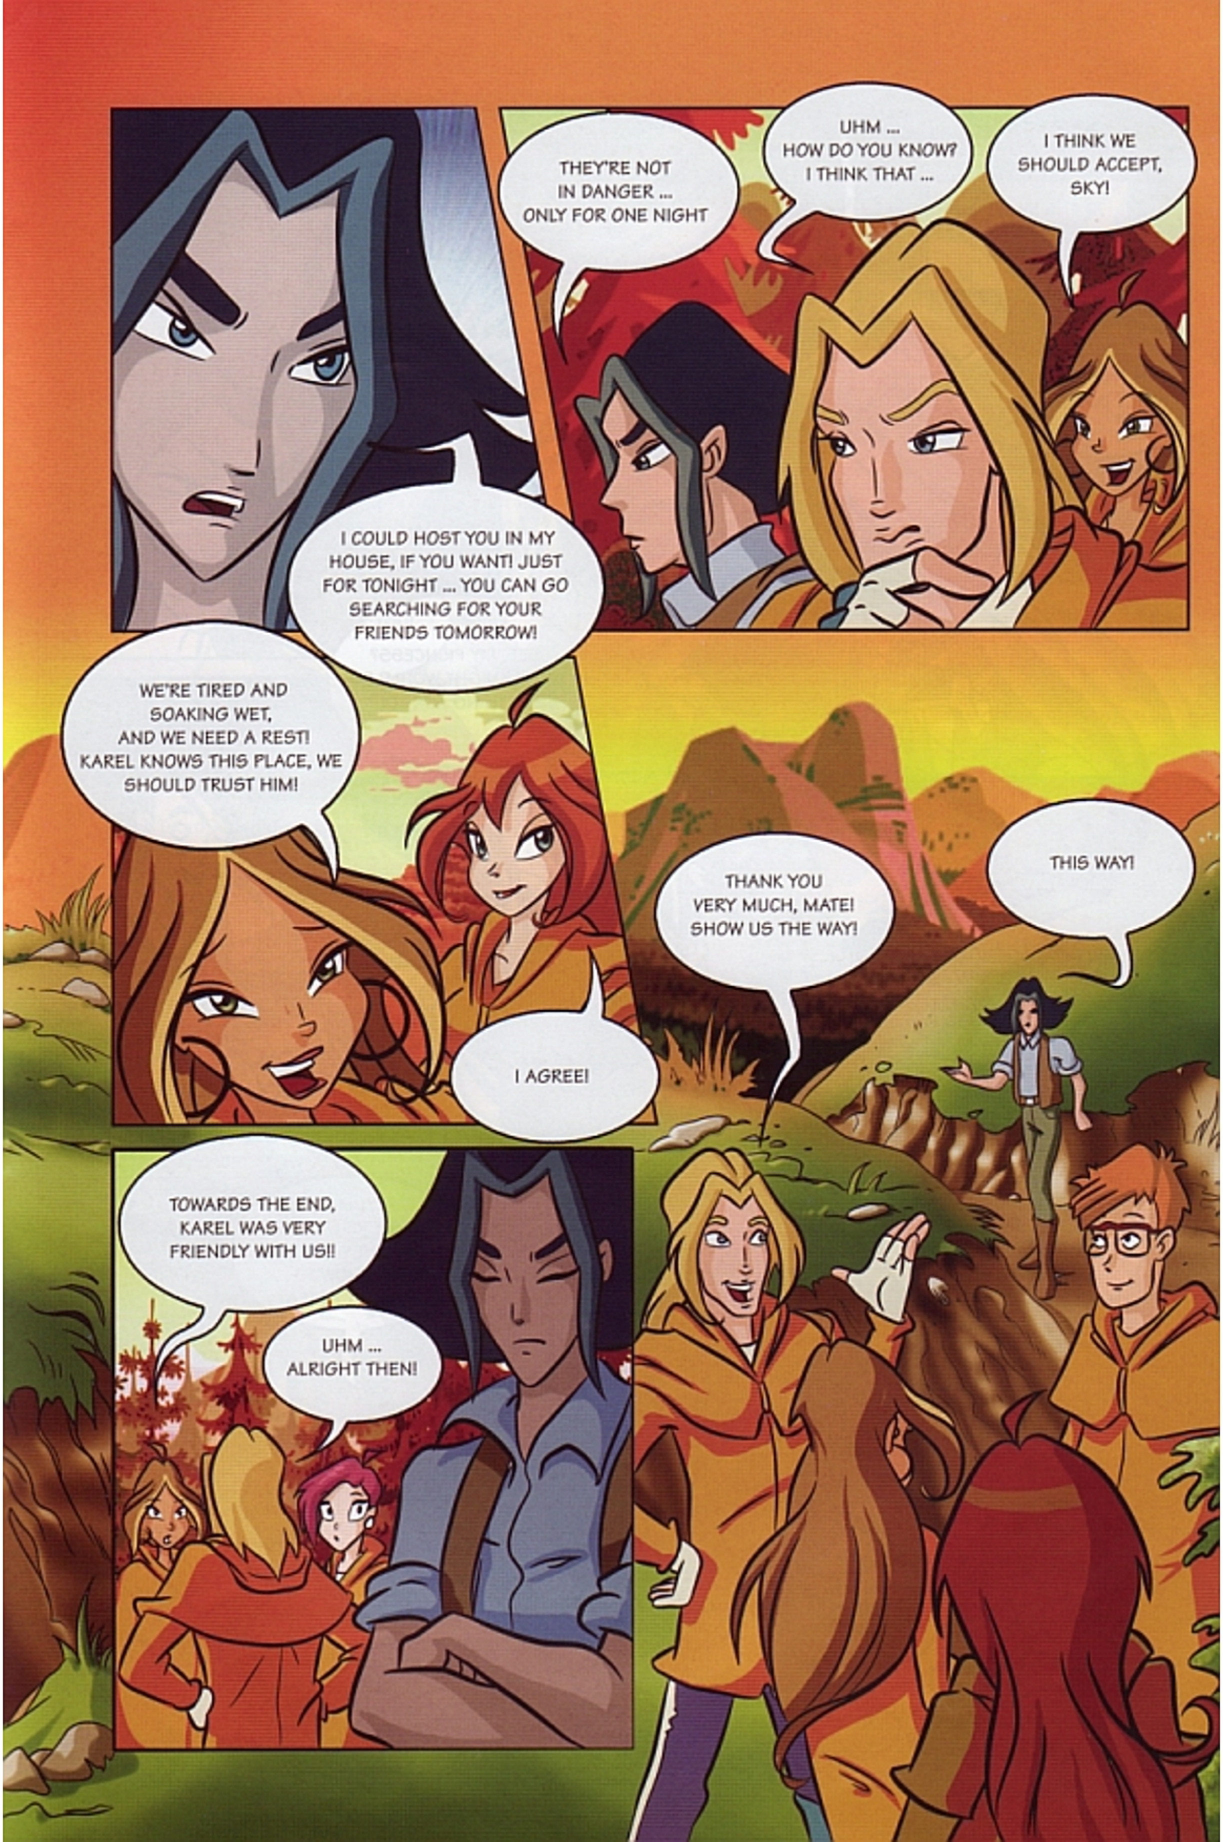
MY NAME'S KAREL! I'M A WOODCUTTER AND I LIVE IN THE MOUNTAIN...
I HEARD YOU SHOUTING ... I DIDN'T DO ANYTHING SPECIAL!
WHAT? YOU SAVED OUR LIVES!
WE'VE GOT TO GO BACK AND LOOK FOR THE OTHERS ...
DON'T GO THROUGH THE CANAL! THE WATER ALWAYS MAKES THE PATH SLIDE DOWN!
BUT IT'S NOT RAINING ANYMORE... IF WE ...
IT'LL BE DARK SOON! YOU WILL RUN THE RISK TO GET LOST ...



I COULD HOST YOU IN MY HOUSE, IF YOU WANT! JUST FOR TONIGHT ... YOU CAN GO SEARCHING FOR YOUR FRIENDS TOMORROW!
THEY'RE NOT IN DANGER ... ONLY FOR ONE NIGHT
UHM ... HOW DO YOU KNOW? I THINK THAT ...
I THINK WE SHOULD ACCEPT, SKY!
WE'RE TIRED AND SOAKING WET, AND WE NEED A REST! KAREL KNOWS THIS PLACE, WE SHOULD TRUST HIM!

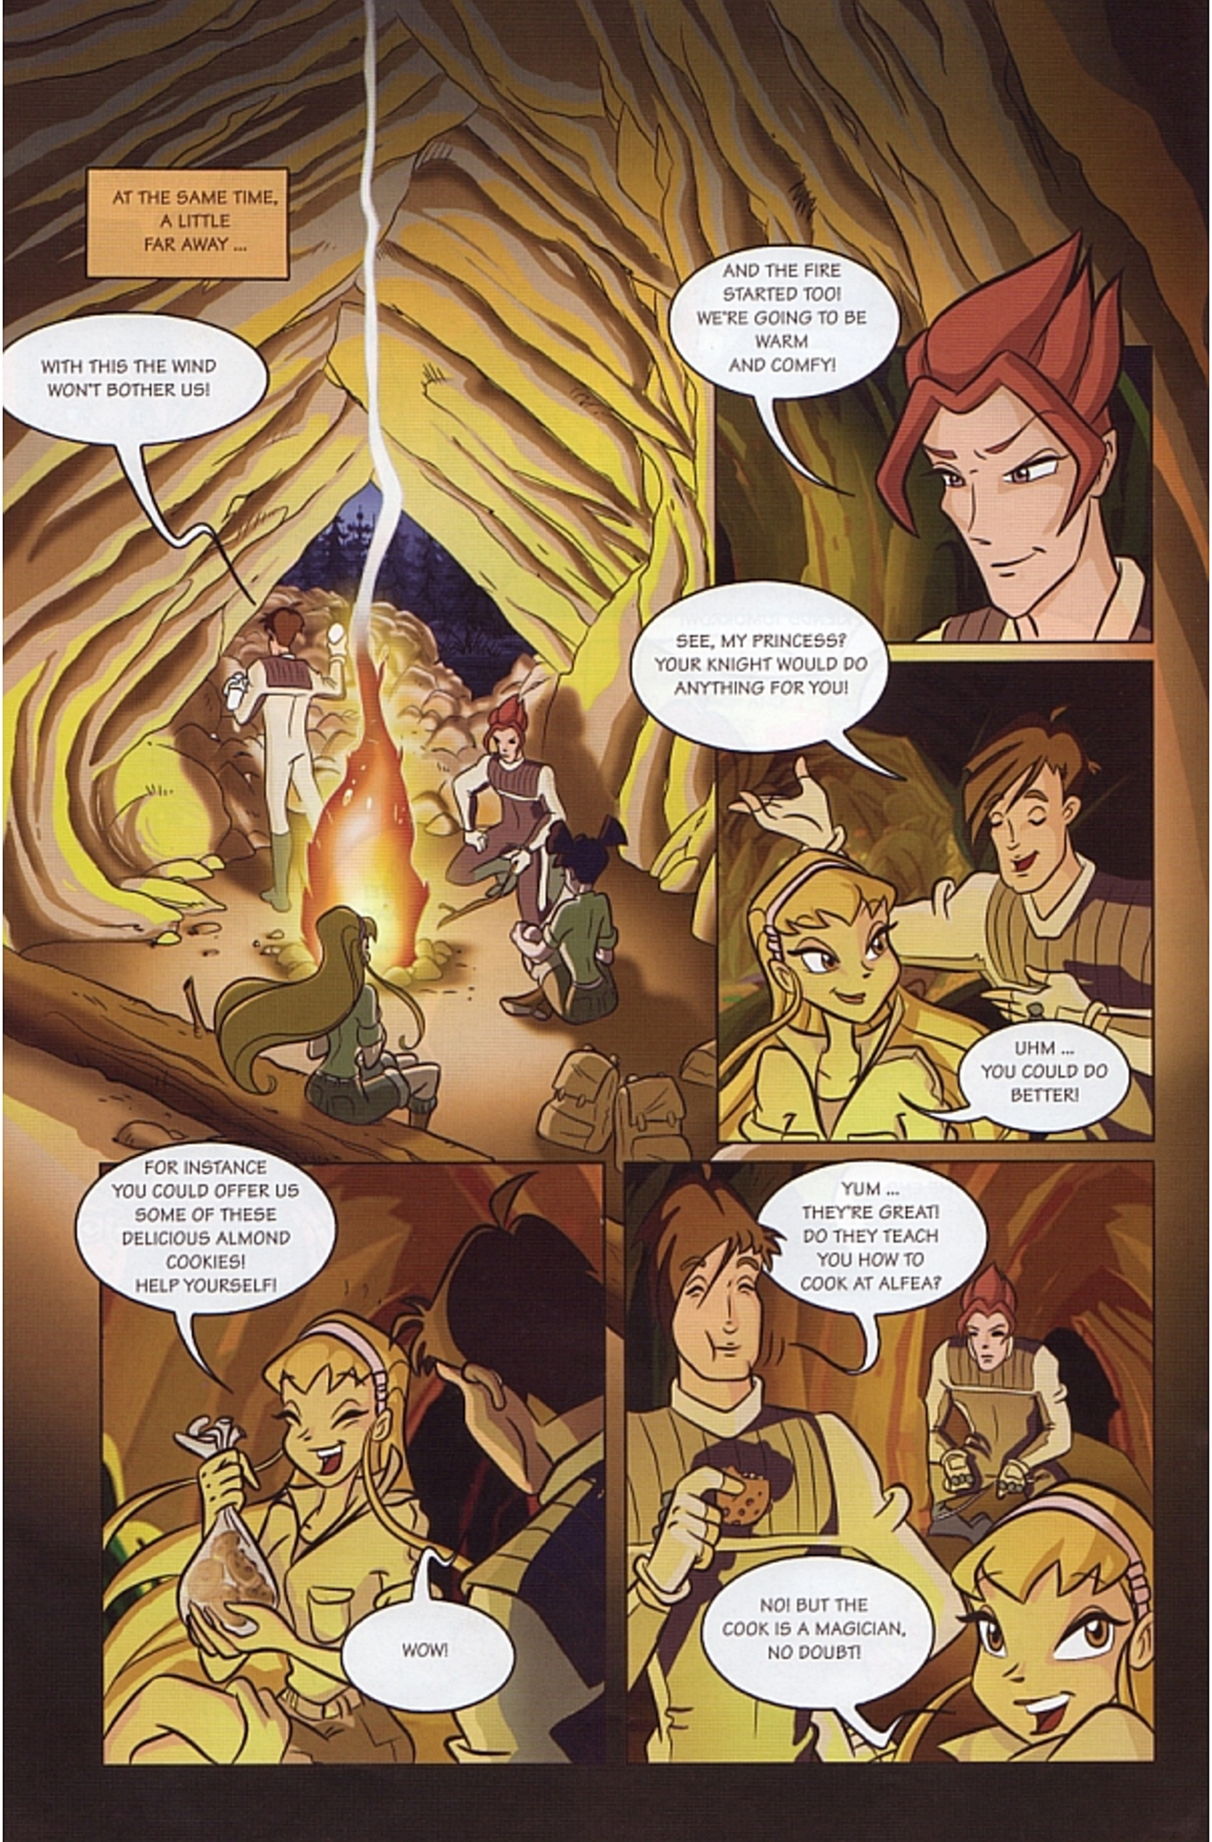
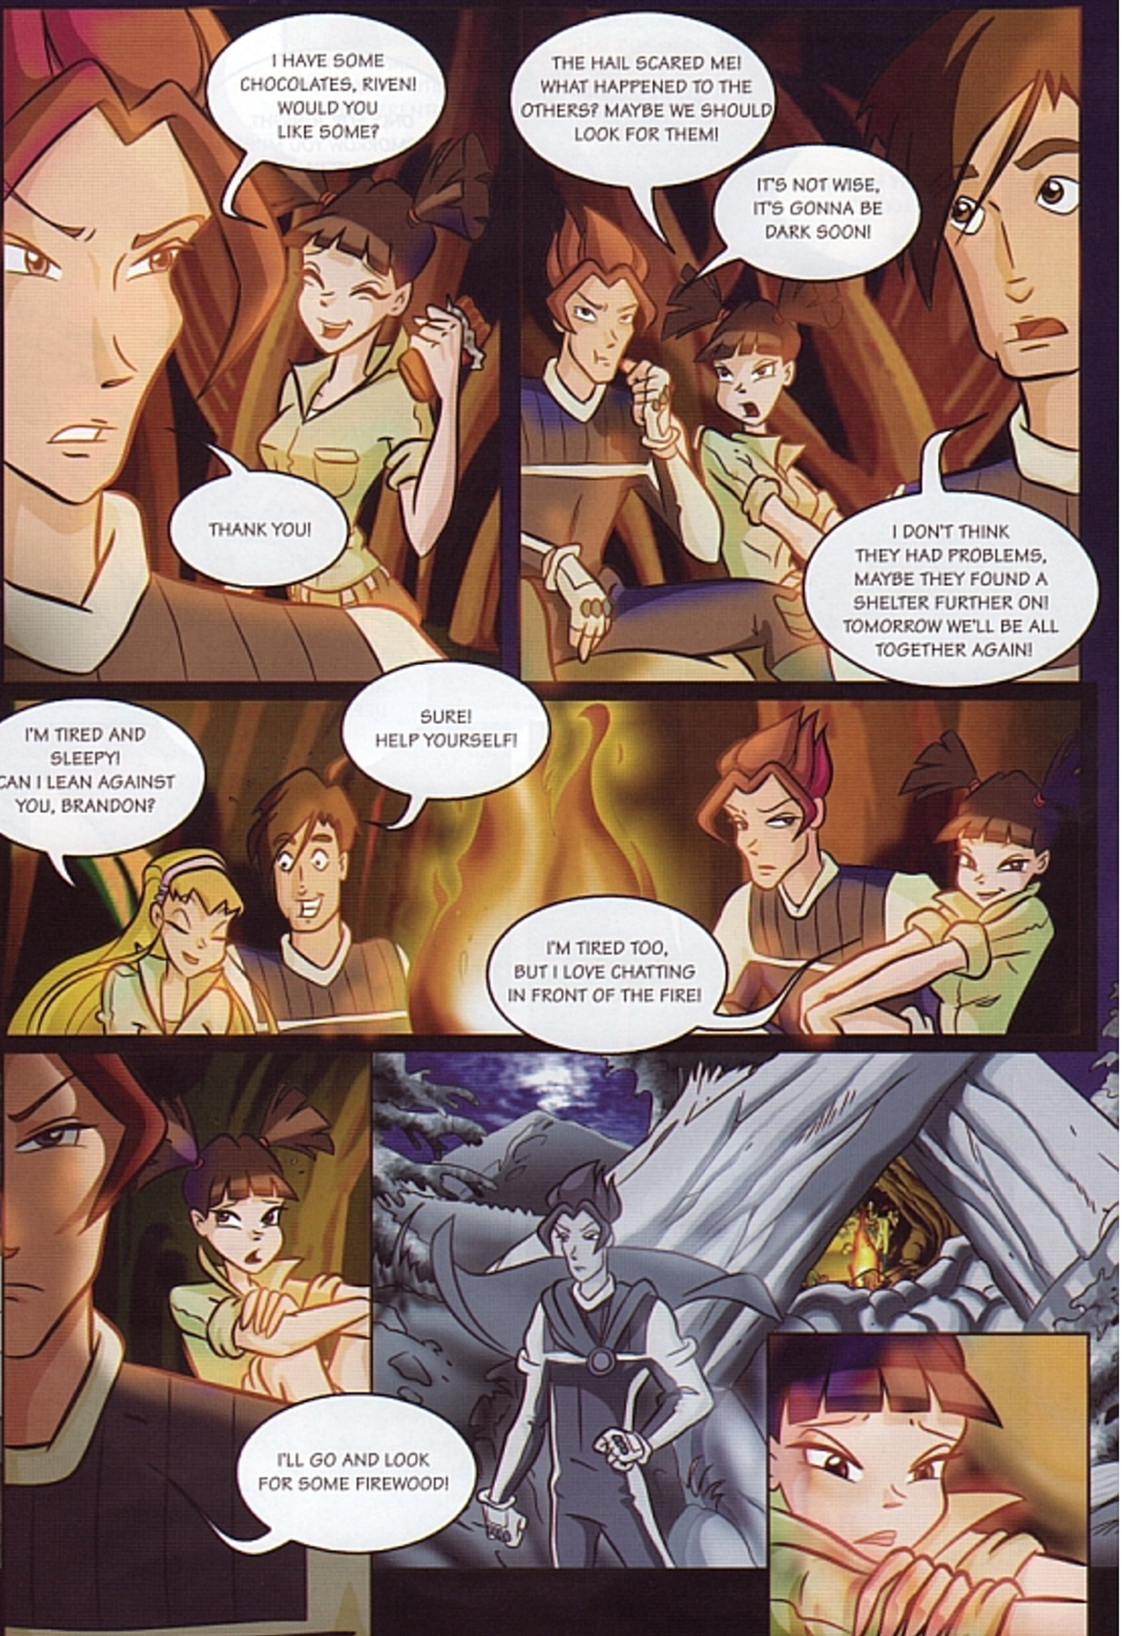
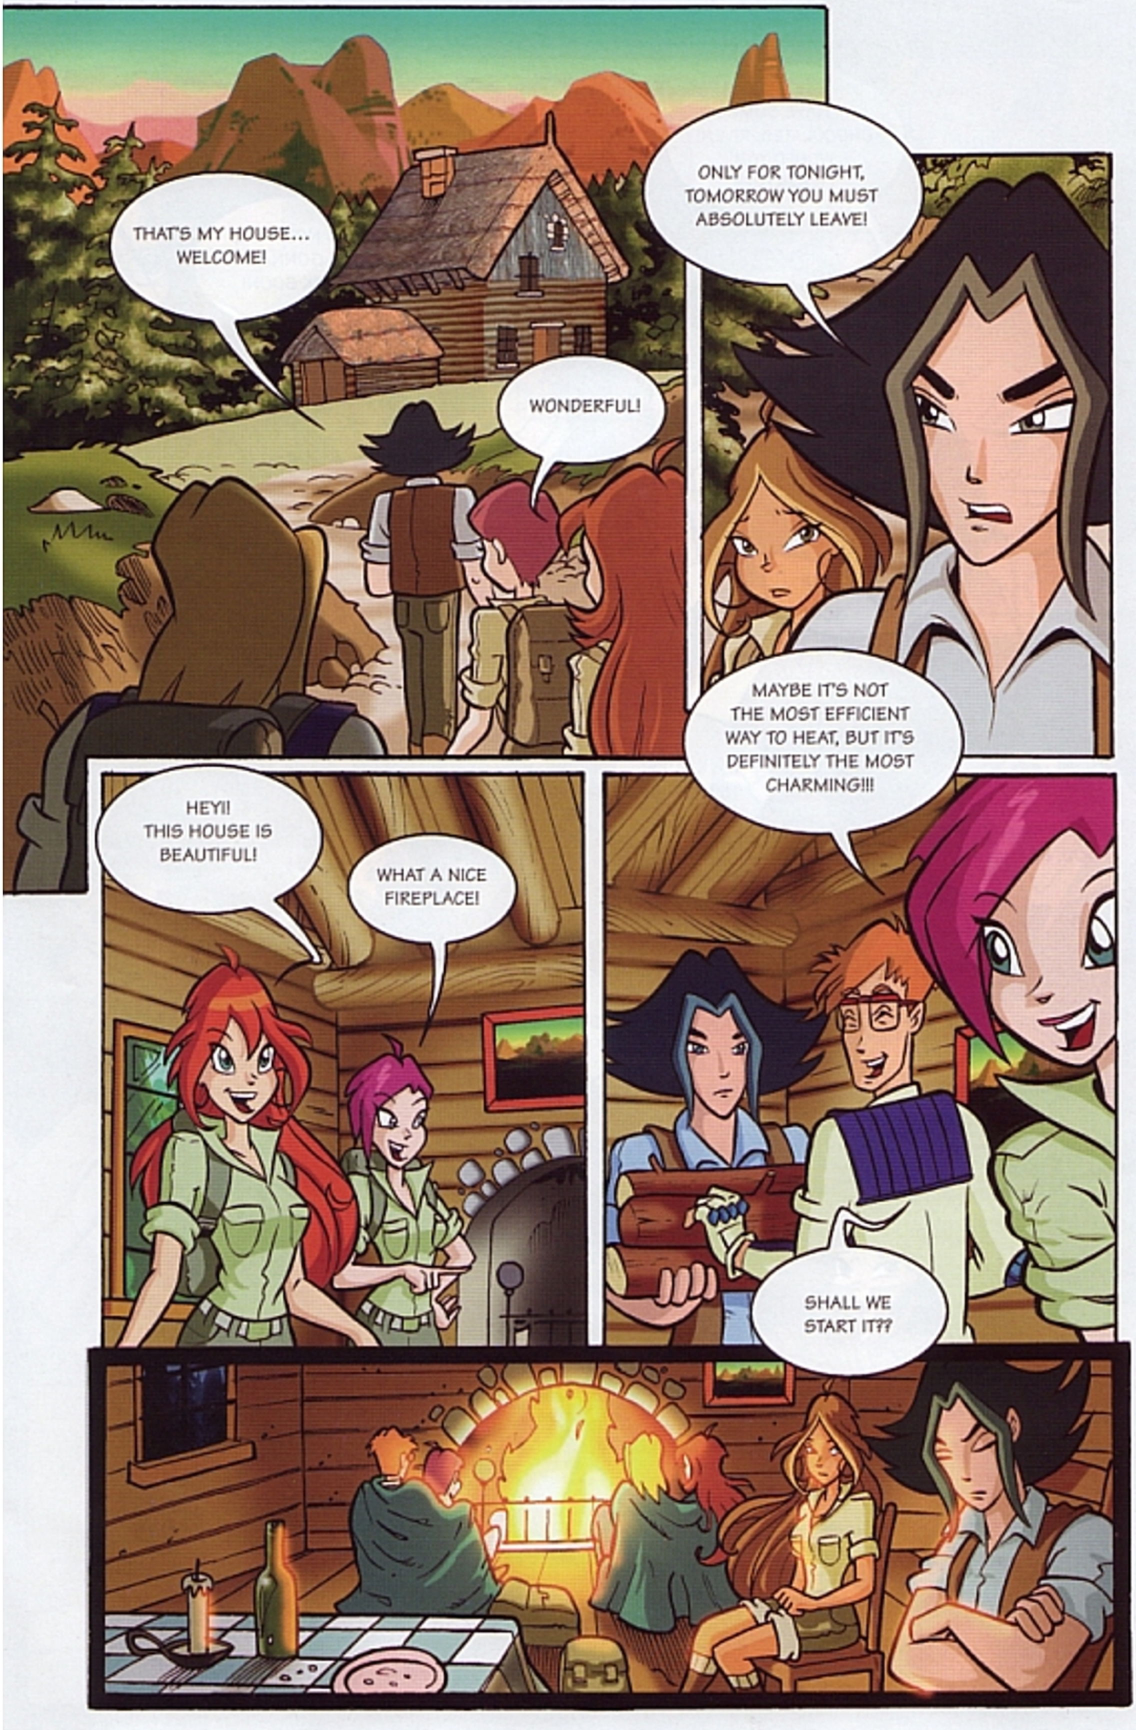
THIS WAY!



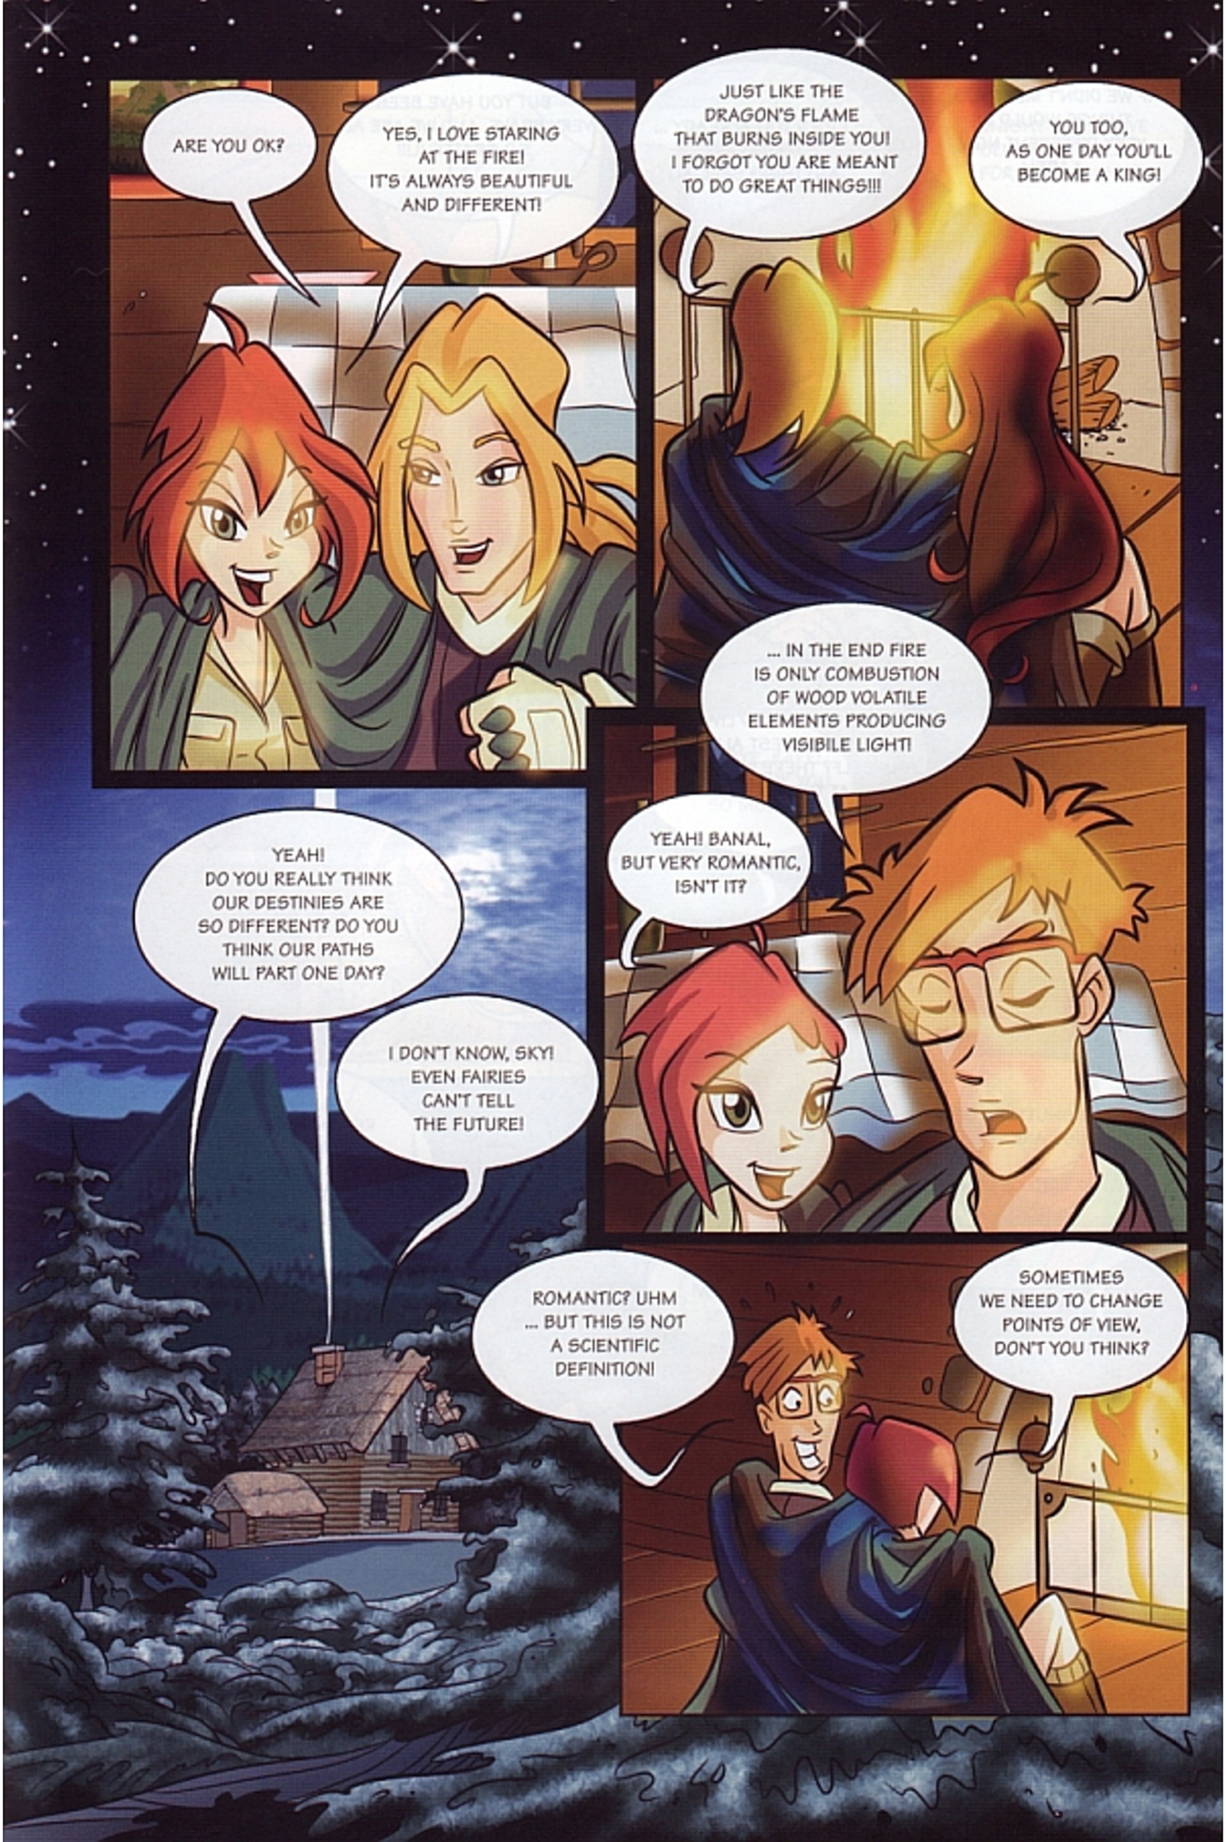
AT THE SAME TIME, A LITTLE FAR AWAY ...
WITH THIS THE WIND WON'T BOTHER US!
AND THE FIRE STARTED TOO! WE'RE GOING TO BE WARM AND COMFY!
SEE, MY PRINCESS? YOUR KNIGHT WOULD DO ANYTHING FOR YOU!
UHM ... YOU COULD DO BETTER!
FOR INSTANCE YOU COULD OFFER US SOME OF THESE DELICIOUS ALMOND COOKIES! HELP YOURSELF!
WOW!
YUM ... THEY'RE GREAT! DO THEY TEACH YOU HOW TO COOK AT ALFEA?
NO! BUT THE COOK IS A MAGICIAN, NO DOUBT!



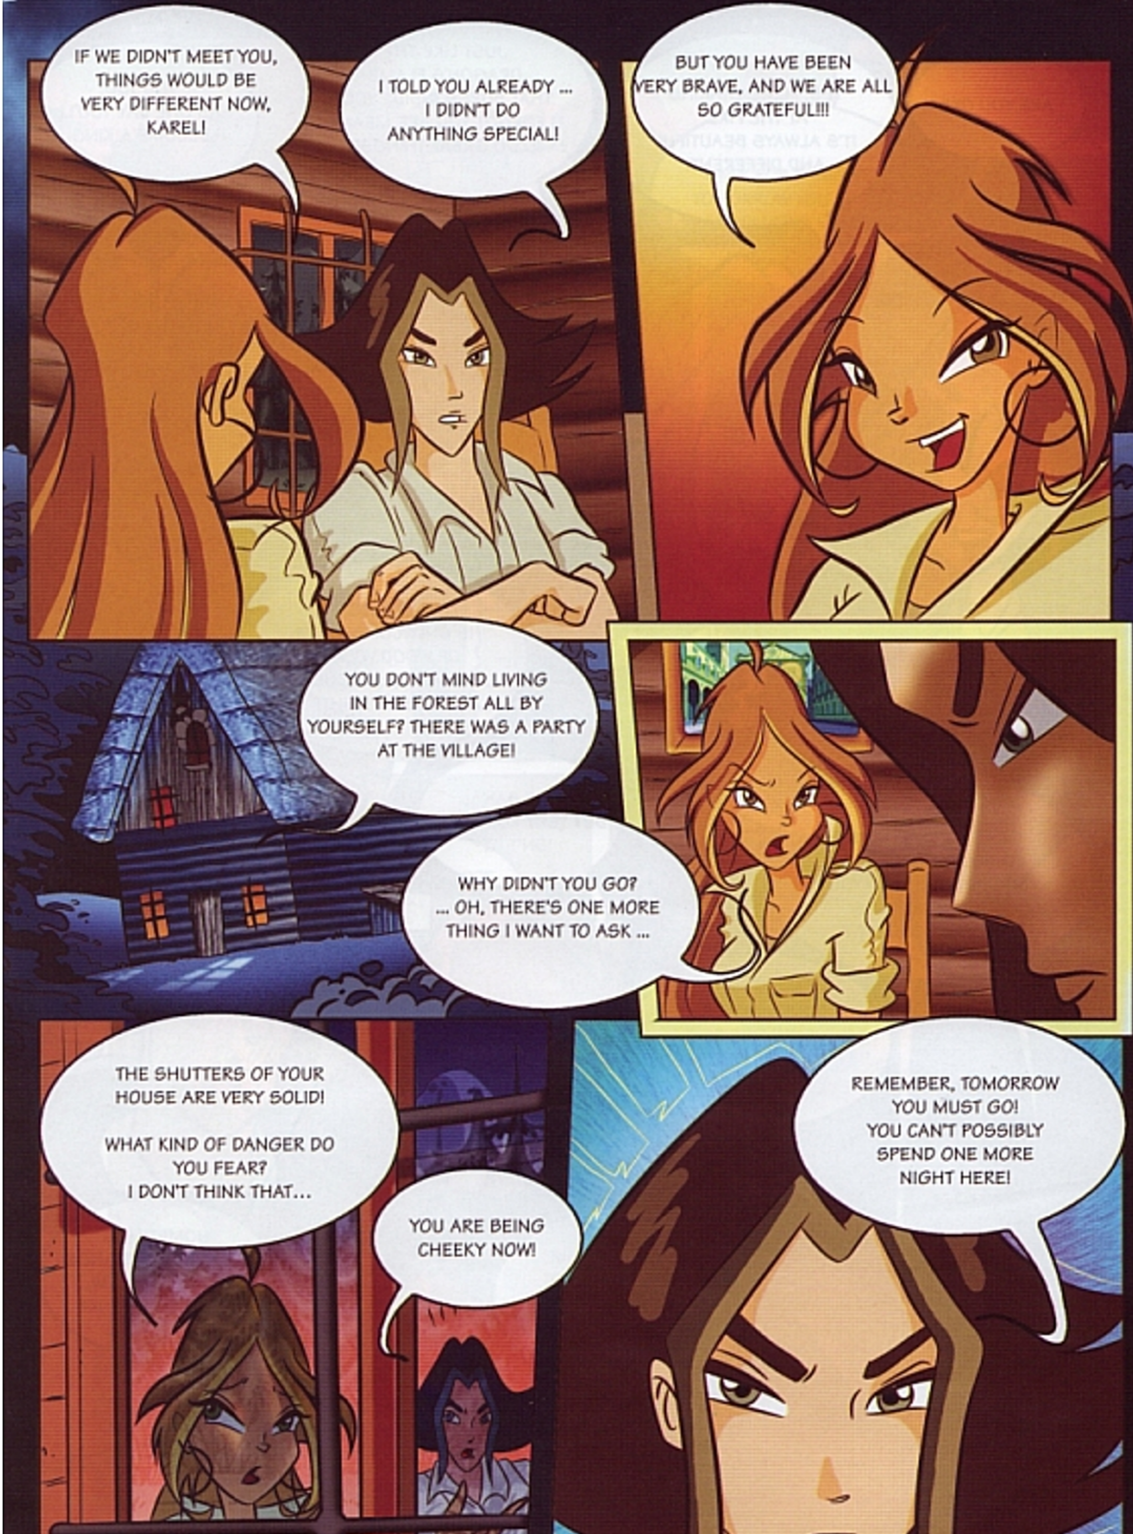
I HAVE SOME CHOCOLATES, RIVEN! WOULD YOU LIKE SOME?
THANK YOU!
THE HAIL SCARED ME! WHAT HAPPENED TO THE OTHERS? MAYBE WE SHOULD LOOK FOR THEM!
IT'S NOT WISE, IT'S GONNA BE DARK SOON!
I DON'T THINK THEY HAD PROBLEMS, MAYBE THEY FOUND A SHELTER FURTHER ON! TOMORROW WE'LL BE ALL TOGETHER AGAIN!
I'M TIRED AND SLEEPY! CAN I LEAN AGAINST YOU, BRANDON?
SURE! HELP YOURSELF!
I'M TIRED TOO, BUT I LOVE CHATTING IN FRONT OF THE FIRE!
I'LL GO AND LOOK FOR SOME FIREWOOD!



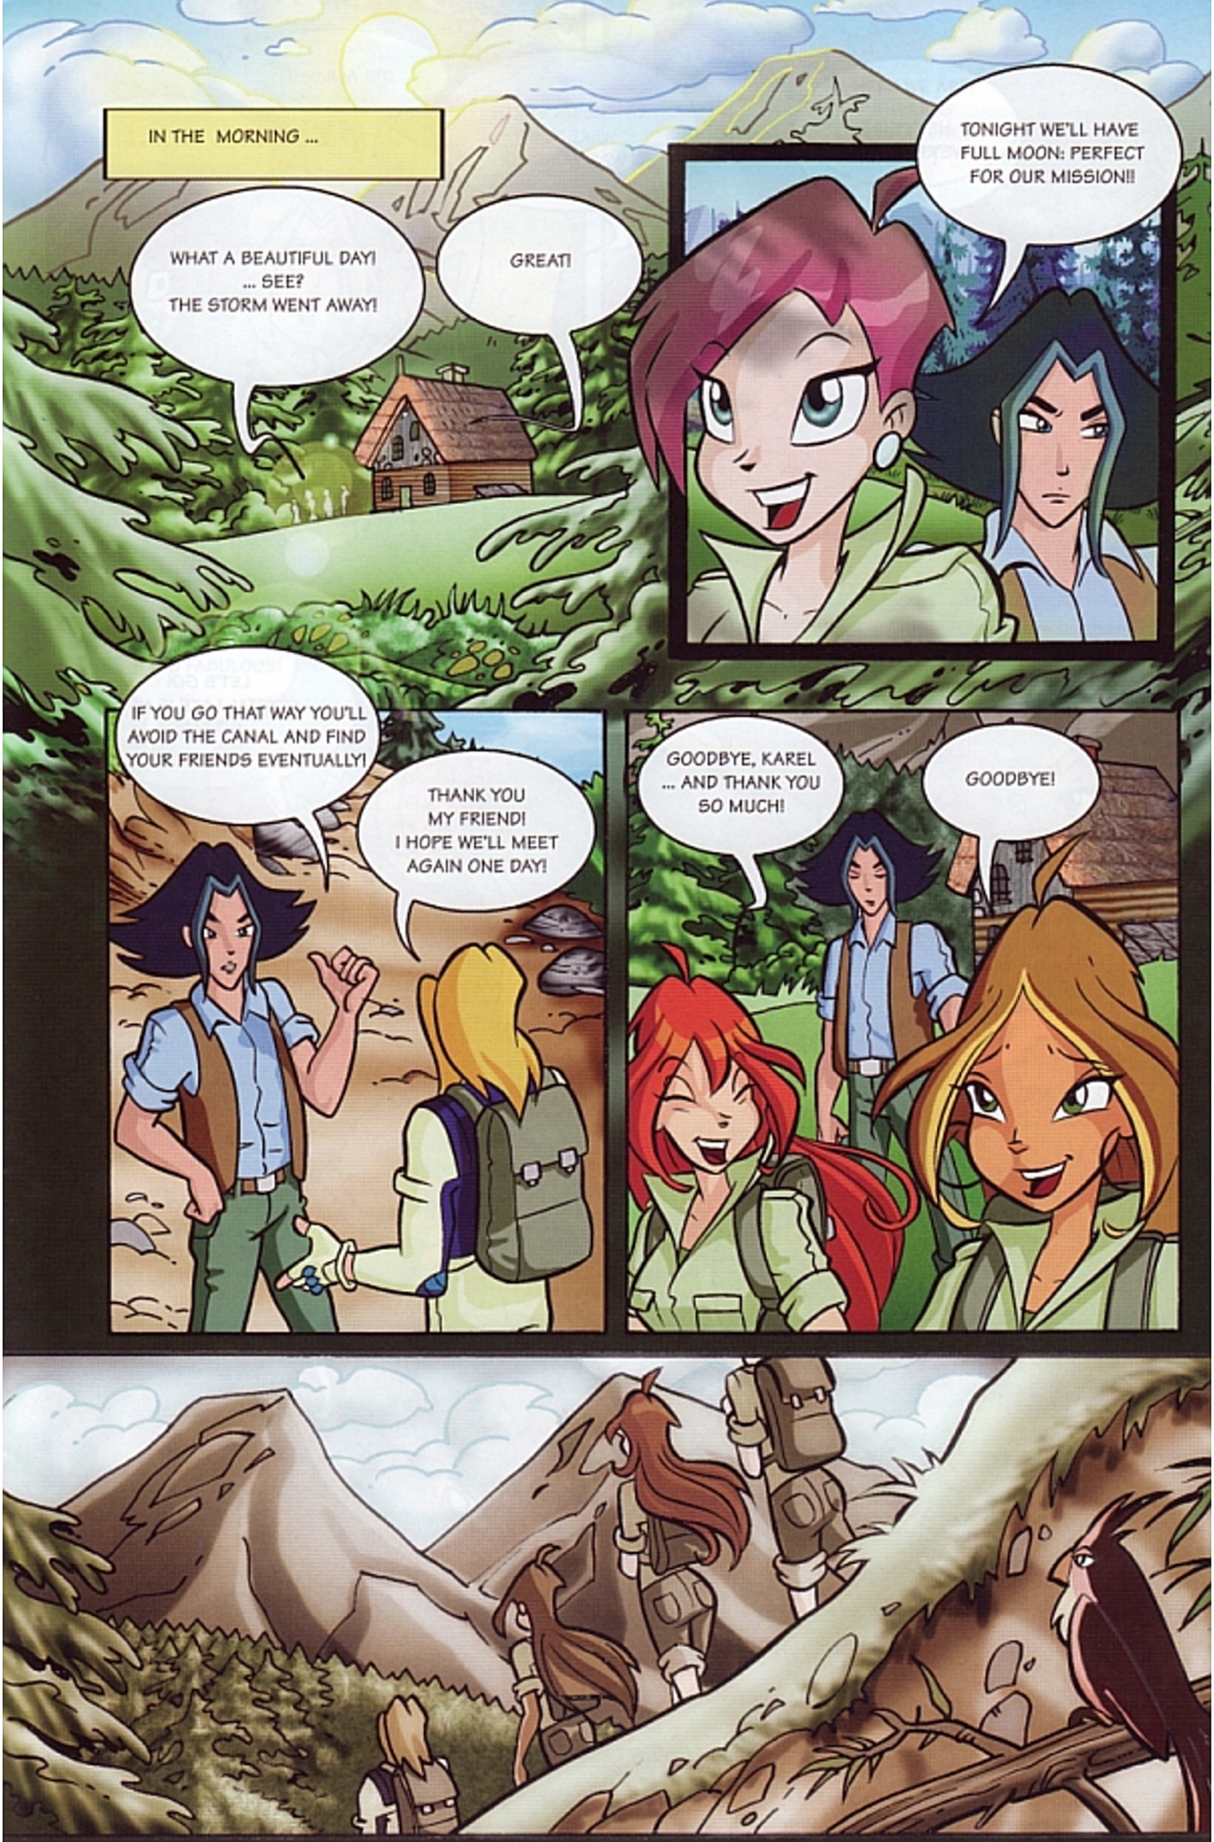
THAT'S MY HOUSE... WELCOME!
WONDERFUL!
ONLY FOR TONIGHT, TOMORROW YOU MUST ABSOLUTELY LEAVE!
HEY!! THIS HOUSE IS BEAUTIFUL!
WHAT A NICE FIREPLACE!
MAYBE IT'S NOT THE MOST EFFICIENT WAY TO HEAT, BUT IT'S DEFINITELY THE MOST CHARMING!!!
SHALL WE START IT??



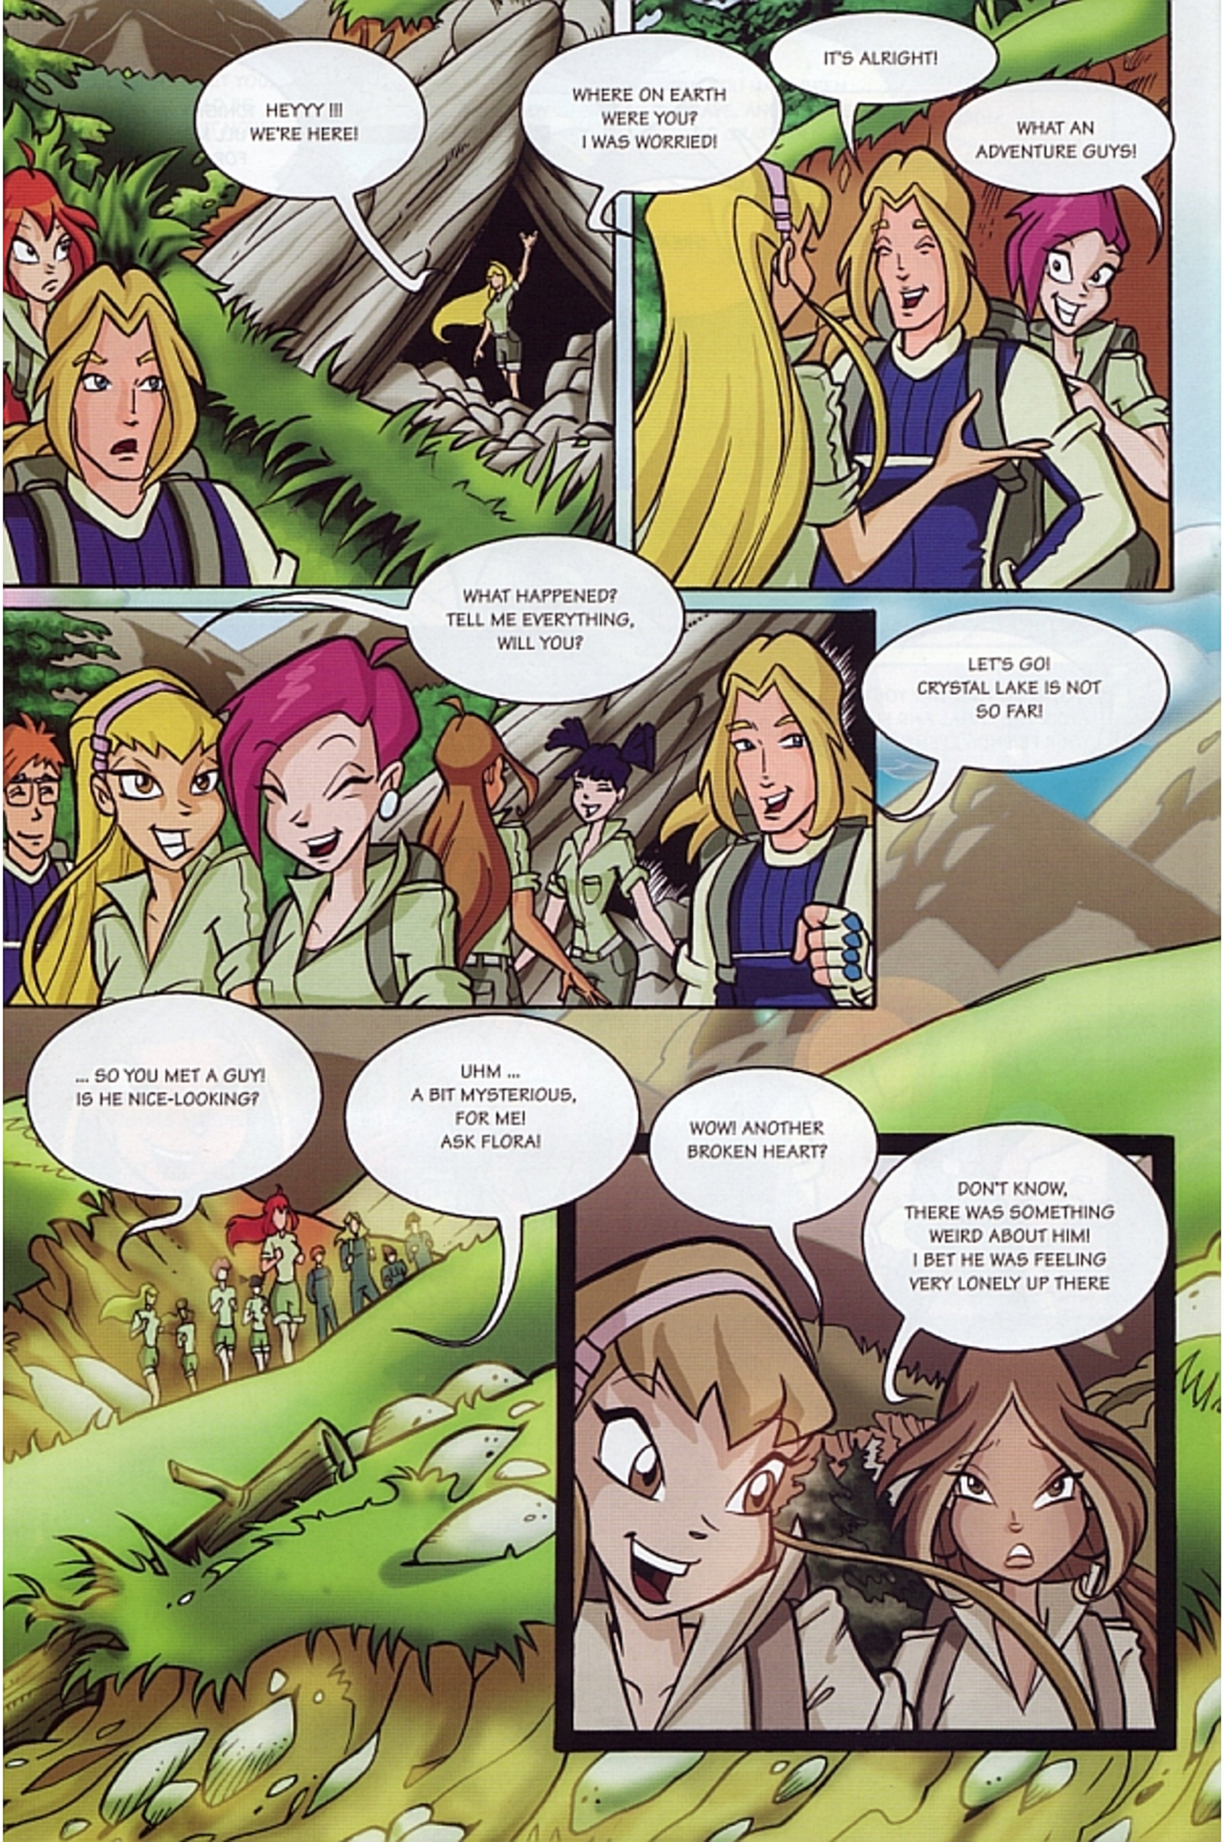
ARE YOU OK?
YES, I LOVE STARING AT THE FIRE! IT'S ALWAYS BEAUTIFUL AND DIFFERENT!
JUST LIKE THE DRAGON'S FLAME THAT BURNS INSIDE YOU! I FORGOT YOU ARE MEANT TO DO GREAT THINGS!!!
YOU TOO, AS ONE DAY YOU'LL BECOME A KING!
... IN THE END FIRE IS ONLY COMBUSTION OF WOOD VOLATILE ELEMENTS PRODUCING VISIBILE LIGHT!
YEAH! BANAL, BUT VERY ROMANTIC, ISN'T IT?
YEAH! DO YOU REALLY THINK OUR DESTINIES ARE SO DIFFERENT? DO YOU THINK OUR PATHS WILL PART ONE DAY?
I DON'T KNOW, SKY! EVEN FAIRIES CAN'T TELL THE FUTURE!
ROMANTIC? UHM ... BUT THIS IS NOT A SCIENTIFIC DEFINITION!
SOMETIMES WE NEED TO CHANGE POINTS OF VIEW, DON'T YOU THINK?



IF WE DIDN'T MEET YOU, THINGS WOULD BE VERY DIFFERENT NOW, KAREL!
I TOLD YOU ALREADY ... I DIDN'T DO ANYTHING SPECIAL!
BUT YOU HAVE BEEN VERY BRAVE, AND WE ARE ALL SO GRATEFUL!!!
YOU DON'T MIND LIVING IN THE FOREST ALL BY YOURSELF? THERE WAS A PARTY AT THE VILLAGE!
WHY DIDN'T YOU GO? ... OH, THERE'S ONE MORE THING I WANT TO ASK ...
THE SHUTTERS OF YOUR HOUSE ARE VERY SOLID! WHAT KIND OF DANGER DO YOU FEAR? I DON'T THINK THAT...
YOU ARE BEING CHEEKY NOW!
REMEMBER, TOMORROW YOU MUST GO! YOU CAN'T POSSIBLY SPEND ONE MORE NIGHT HERE!



IN THE MORNING ...
WHAT A BEAUTIFUL DAY! ... SEE? THE STORM WENT AWAY!
GREAT!
TONIGHT WE'LL HAVE FULL MOON: PERFECT FOR OUR MISSION!!
IF YOU GO THAT WAY YOU'LL AVOID THE CANAL AND FIND YOUR FRIENDS EVENTUALLY!
THANK YOU MY FRIEND! I HOPE WE'LL MEET AGAIN ONE DAY!
GOODBYE, KAREL ... AND THANK YOU SO MUCH!
GOODBYE!



HEYYY !!!
WE'RE HERE!
WHERE ON EARTH
WERE YOU?
I WAS WORRIED!
